I want to cheer up my friend who's having a rough day. Can you suggest a couple short and sweet text messages to go with a kitten gif?

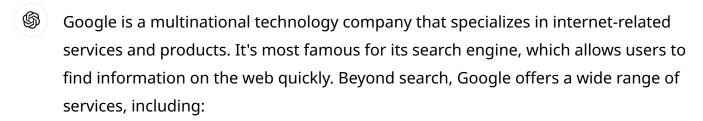

Of course! Here are a couple of cheerful messages you can send:

- 1. "Just sending a little furball of happiness your way to brighten your day! 🐾 😊 "
- 2. "Thought you could use a dose of cuteness today! Hope this kitten brings a smile to your face. ₩♥"

I hope these help lift your friend's spirits!
